STUDENT ORIENTATION PROGRAM

Every year, the College has the practice of conducting orientation and motivational sessions to the freshers at the commencement of the programmes, followed by a bridge course for a week to enable them to cope up with the programme they have opted for.

The students are given orientation on the following :

- The motto of the college
- Choice Based Credit System (CBCS) in the Curriculum
- Semester System
- Code of conduct
- Rules and regulations,
- Evaluation Pattern and Continuous Internal Assessment (CIA)
- Attendance Requirements
- Co-Curricular, Extra Curricular and Extension Activities
- Functions of supporting centres
- Functioning of Library
- Gender Equity/Women's education
- Analysis of differential requirements of the students
- Academic growth of the students
- Identification of slow learners and advanced learners
- Selection of optional subjects (Elective List)
- Analysis of Personal/Psychological/Social/Financial matters
- Slow learners among the students are identified and given special attention.
- Remedial classes are organized
- Special theoretical, tutorial and practical classes are arranged by each department.

- Personalized interaction with the teachers helps the students to get out of their weak points.
- The teachers guide them to prepare model answers by providing them with books, reading materials coupled with counselling.
- Students also interact regularly with teachers outside the classroom either individually or in groups to address issues related to their course or other general problems.

Special Programs conducted

through Student Union:

The students are given due importance in all association activities. They hold the post of association President, Vice president, Secretary, Treasurer etc and prepare the students with leadership, communication and team work skills necessary to work in the industry any responsible job. Through association the department conducts the activities such as Guest Lectures, Workshops, Intercollegiate meets, Exhibitions etc.
