LEARNING MANAGEMENT SYSTEM (LMS) & E – LEARNING RESOURCES

- Information & Communications Technology (ICT) enabled teaching methodologies are being followed by the faculty members in class rooms.
- The academic plan with budget, notes of lesson, lab manuals and question banks with key are made available at the very beginning of the semester.
- The use of multimedia teaching aids like, LCD projectors, smart classrooms and internet enabled computer systems are usually employed in classroom.
- Hard disk containing web and video courses (offline) from INFLIBNET are accessible to faculty and students from the server installed in the library. These courses are the part of LMS.
- Online tests are conducted and e-assignments are given through 'MOODLE' & 'MOOC' software.
- Sufficient number of books, Journals, e-journals and e-books are available in the library. The research journals are available online and facility for accessing these journals is provided through proxy server in the campus.
- Every year, all the departments conduct seminars, workshops and guest lectures on the new developments in the core subjects for effective teaching and learning by the faculty members and students.
- Seminar hall is equipped with multimedia facilities. Invited talks and webinars are conducted in seminar hall using ICT facilities.
