THE ALUMNI ASSOCIATION OF THE COLLEGE

The success of an educational institution depends on the performance of its alumni. SS Memorial College has established strong bond with Alumni and has a Alumni Association (**Suraj Singh Memorial College Alumni Association:SSMCAA**) which functions very actively with a purpose. Alumni are identified and their portraits are prominently displayed on the corridors of the college so that they can be role models for their successors.

SS Memorial College is quite confident that the involvement and the promotional attitude of college Alumni will definitely steer the institution into limelight and take it to greater heights in terms of students attitude, quality and future vision.

The following are the Objectives of the Association:

- To create and establish Alumni endowments for granting scholarships, prizes and medals to the students showing high proficiency in their studies, sports and extracurricular fields and honour former students of the Institution.
- To conduct seminars, conferences, workshops, endowment lectures and other academic activities and also to keep in touch with one another of the Institution's faculty, non-teaching staff and students to assist the student community.
- To bring out magazines, souvenirs and newsletters highlighting the activities of the Institution and its Alumni.
- To organize cultural and educational programmes and also to conduct Alumni Day Celebrations every year.
- To help the Alumni to get advice from the Institution on various academic problems and job opportunities that they may come across in their work and real life.
- The Association will carry out the operations not aligning with any particular political party or religion
- The Association will operate on a not-for-profit basis.
